Since our first Chardonnay vintage in 2002, we have been blessed to produce all our chardonnay from the Indindoli Family Vineyards, located in the historic Vine Hill area of the Russian River Valley. With our 3rd vintage of Waugh Cellars, Indindoli Vineyard Chardonnay we have hit a home run.

Tropical notes and lemon zest on the nose lead to yellow and green apple on the elegant palate. With the rich mouth-filling acidity, this wine will make your mouth water and leave you with a long, velvety finish. Just plain delicious. Fermented in Oak and barrel aged for 7 months, No Malo-lactic Fermentation and no new oak.
